# Patrick County . . . a place

*The Blue Ridge Parkway offers many scenic views of Patrick County.*

*Many country roads stretch boundlessly across Patrick County.*

*As our country approaches its 200th anniversary we fully acknowledge Patrick County for its birth and livelihood. Our founding fathers and future leaders enhance the poignant history of our county. As we celebrate our nations history, let us celebrate also the memorable history of Patrick County.*

*The calm, serene countryside hosts many of Patrick Counties 84 churches.*

# to CELEBRATE

*Located on the Blue Ridge Parkway, Mabry's Mill is one of the greatest tourist attractions in Patrick County.*

*Reynolds homestead, in Critz, is a source of pleasure and Patrick County History.*

*By helping the United States win its independence, J.E.B. Stuart plays a major role in Patrick County's Bicentennial Celebration.*

# Smiling Faces Make

*His experiment forgotten, Brewster Pendleton grinned deviously.*

*Taking time from his busy schedule, Tal Swails paused to have his picture taken.*

*As he smiles brightly, Tim Wimbush lets people know that being a P.C.H.S. band member is fun.*

*Thinking of the day ahead, Mr. Stanley smiled and hoped it would not be as bad as today.*

# Happy Places

*If one theme could be chosen to represent all of Patrick County it would be, "Keep Smiling." Being friendly is the pastime for many of Patrick County's citizens. Fast smiles and quick laughter brighten even the darkest of days. Celebrating our nation's history gives each and every one of us something worthwhile to smile about.*

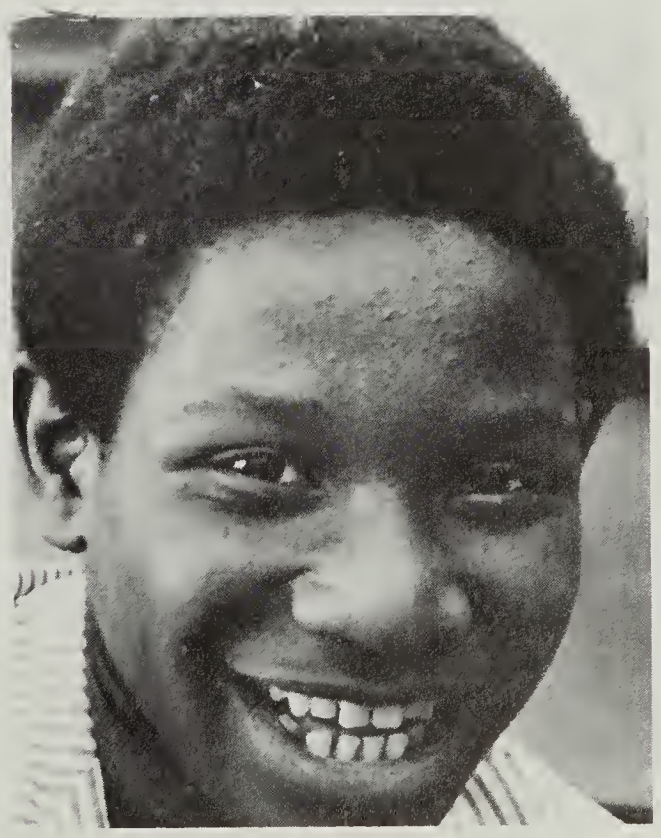

*Enjoying his first year at P.C.H.S., Mike Martin grinned shyly.*

*Even in Mrs. Flippin's Advanced Composition Class, Vanessa Rakestraw found time to smile and laugh a little.*

*To be a Sub-Freshman is happiness for Rodney Gwyn.*

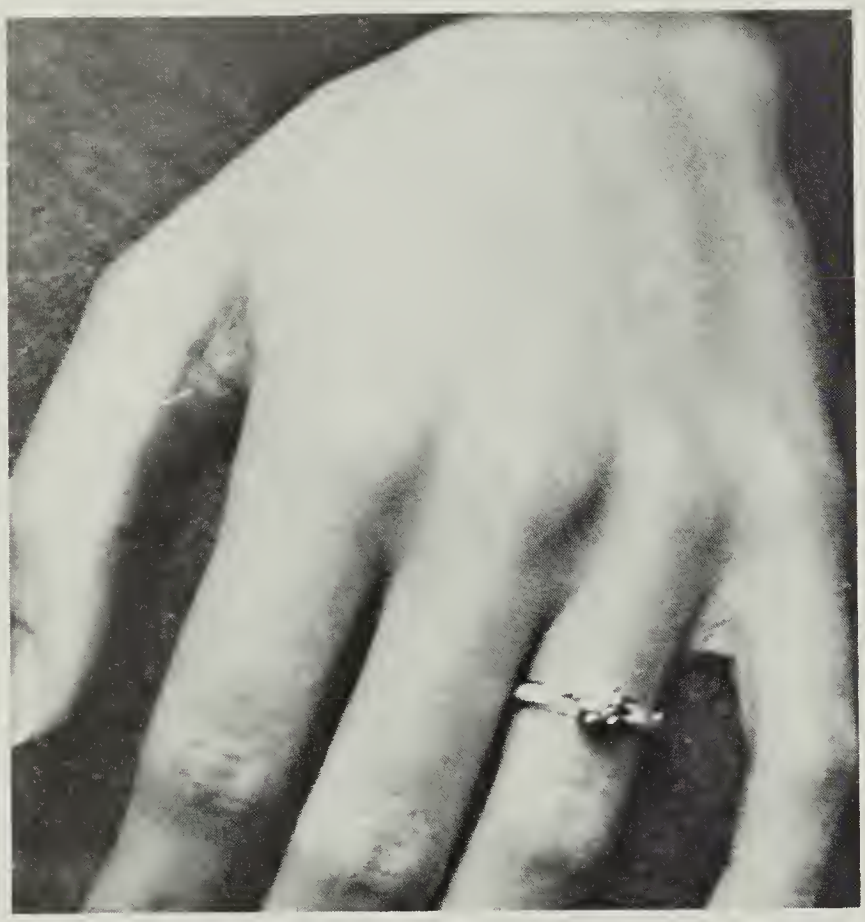

*Caught off guard, Gary Penn smiles broadly for the photographer.*

# Students

*Smiling at their abstinence from work, Mrs. Flippin's class celebrates.*

*Being engaged provides a worth while joy to celebrate.*

*In the year 1976 three major events took place. These three national events were the '76 Olympics, the election, and the birthday of our country. The students of P.C.H.S. celebrated along with hundreds of other Americans, but they also found many happenings around school, to celebrate!*

# Find many

*An everlasting source of Celebration, a Cougarette victory!*

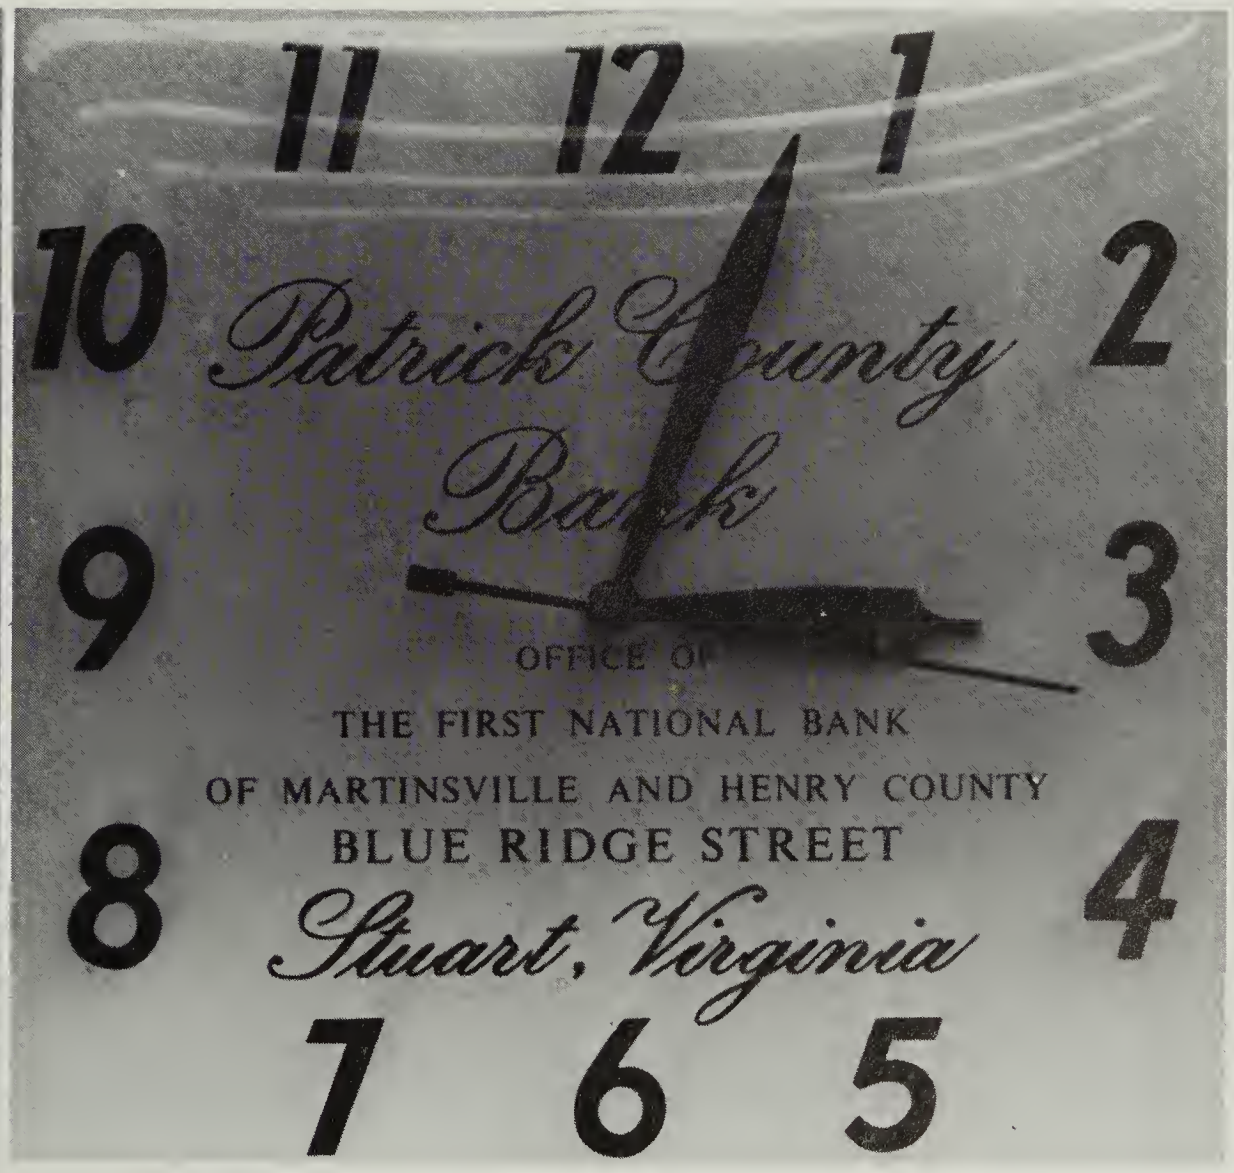

*The cafeteria was decorated many times throughout the year for several celebrations, such as the Homecoming Dance.*

# Events to Celebrate

*Juniors agreed that a day to celebrate was when their class rings arrived.*

*Every student and even teachers at P.C.H.S. celebrate every day when the bell rings at 3:02.*

# *Spring & Summer '75*

*As the Spring of 1975 approached, the minds of the students at P.C.H.S. turned to more than just school. The school year closed with many events such as P.C.H.S. Days, spring sports, and final exams.*

*With these events ending everyone started thinking of the summer vacation. Many started planning their activities of the summer.*

*Summer means a lot of things to each individual. To some summer is sleeping late and to others it is working full time. Most agree, though, that summer vacation is GREAT!*

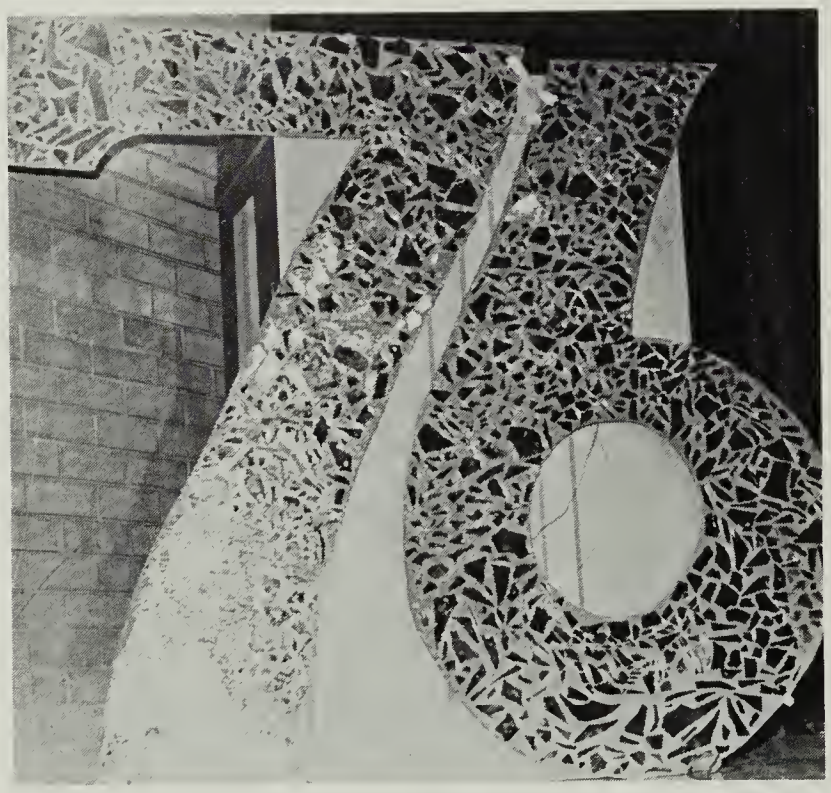

# CELEBRATE '76

*"Liberty for all." is proclaimed by the '76 singers from Georgia.*

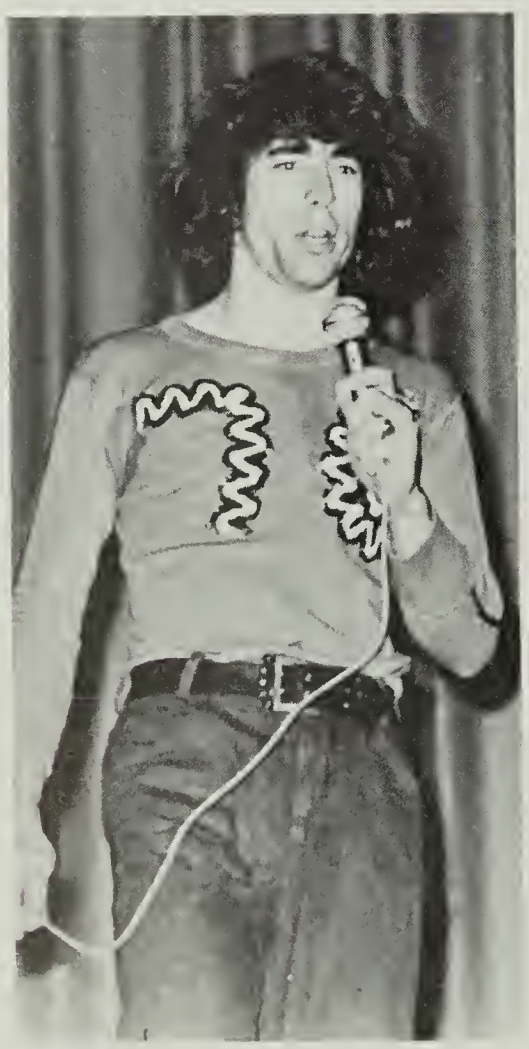

*Singing modern songs, the Spirit of '76 was a great assembly.*

*Seventy-six is the year for Celebration.*

*The Spirit of '76 assembly was very educational. There was scenes from Valley Forge, and settlers heading West.*

*The '76 singers came from Georgia to preform this musical. From this we all came away knowing that the year 1976 is something to celebrate about.*

*The students from Georgia sang solos also.*

*West was Best for the settlers, and for America.*

# SENIOR PLAY

*"Help, let me go!" exclaimed Dick Randall (Ray Hylton), as Roscoe Tuff (Gary Anderson) threw him out.*

*Helping with the props were Karen Duncan, Mrs. Martin, and Johnny Barnette.*

*Too many "bravery tablets" and everyone faints!*

*The cast gathers around the "Mystery Lady"*

*The Senior Play for 1975 was a comedy entitled "How Green Was Her Boyfriend" by John Nash.*

*Many people, during the school performance, got into the play. Such as, when Daphne (at the end of the play) asked, "Just how green is my boy-friend?" One boy popped up and said, "Pretty green!" For green lights had been spotted on the stage.*

*As Daphne (Beverly Wood) faints, "When I make love to 'em, it knocks them out." says Roscoe Tuff (Gary Anderson)*

## Boys' Track Team

*Patrick County's Boy's Track Team posted a successful season. Competing in 8 Triangular meets, the team racked up 2 firsts, three seconds, and three thirds.*

*As individuals, the team members possessed many individual wins. When the District Track Meet rolled around, seventeen members of the squad had qualified to take part in the meet. But, Clay Morris and Willie Younger were the only two of the seventeen to participate.*

*Coached by Phil Dieckhoff, the Track Team produced two outstanding track men. Willie Younger accumulated 128.50 points and set two new records. He also qualified to participate in seven events in the District Track Meet. The Most Valuable Player Trophy went to him. Dale Foddrell racked up 62.75 points, second to only Willie Younger. Voted the Most Promising Member, he set one record and helped to set another.*

*Six new track school records were set this year. These records were set by Terry Spangler – 440 Yd. Dash; Dale Foddrell – 220 Yd. Dash; Willie Younger – Discus and Triple Jump; Willie Younger, Bennett Rucker, Dale Foddrell, James Hatcher – 880 Yd. Relay; and Ellis Lawson, Ancion Brim, Mike Cooper, Terry Spangler – Mile Relay.*

*Other members receiving Track Certificates were Eddie Antony, Lee Brim, Larry Hawks, Danny Hazelwood, Michael Hill, Wayne Hill, Timmy Rogers, Greg Spradlin, Keith Staples, Gerald Williams, and Benton McAlexander.*

*The coming year will be at a loss due to seven graduating seniors. The team will need new talent, as well as the talent of the twelve returning players. More success is expected from the next track team.*

*As a Laurel Park participant looks on, Bill Hanner concentrates on measuring the length the shot was putted.*

*Flying through the air, Ancion Brim strives for distance in the Long Jump competition against Laurel Park and Drewry Mason.*

*"Why in the world would anyone want to get IN school?" one student asked. "I spend all my time trying to get out!"*

*On October 1, 1975 the school was broken into by thieves. Windows were broken in Mr. Hiatt's office, and the drawers to the filing cabinet, and desks were emptied. The front office suffered losses of valuable equipment.*

*Mrs. Williams' office, in the cafeteria, and the teachers' lounge were broken into also. The bad part about this is that the thieves haven't been caught yet.*

*The office closets were busted very badly.*

*Desks were destroyed as the thieves tried to find money.*

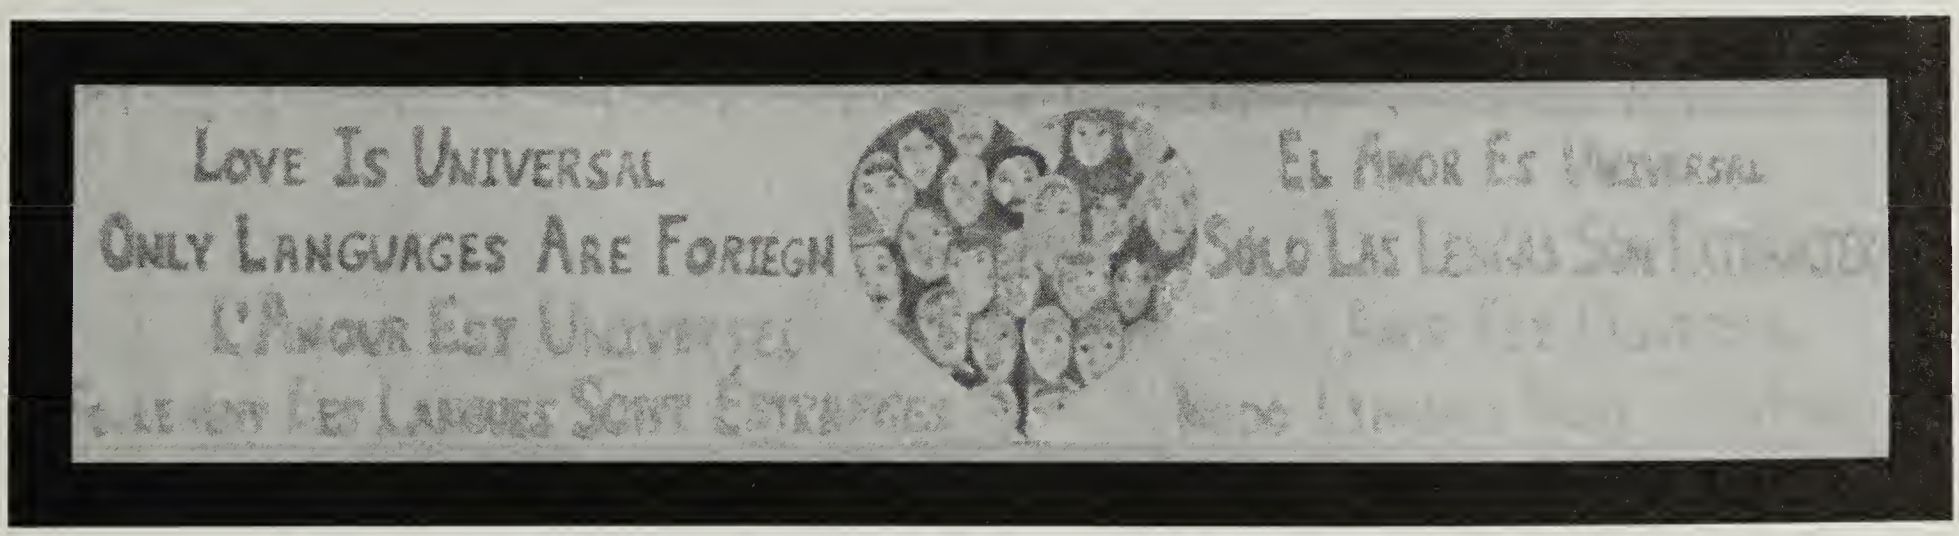

*The thieves broke the doors, and tore up locks badly.*

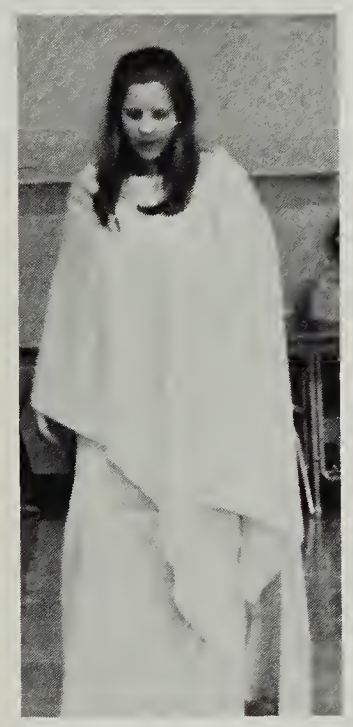

*Enjoying the many festivities of foreign language week, Matt Corbett selects his choice of food.*

*Making their project more like fun was Tracy Puckett, and Carolyn Pilson.*

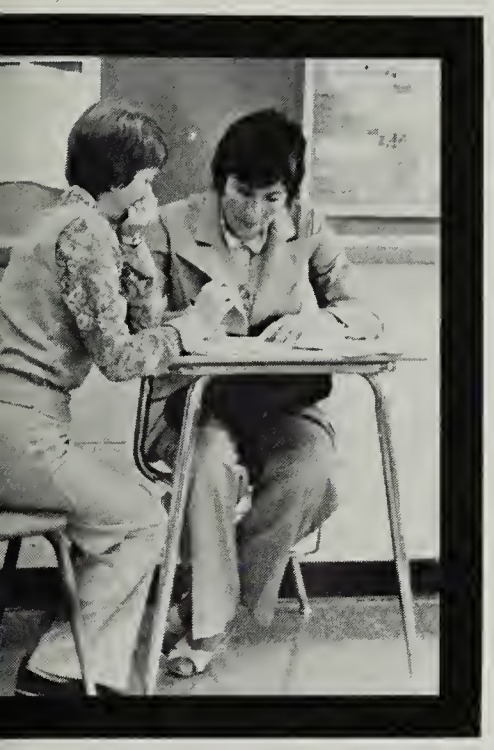

*Taking notes on the experiment and results was tougher than expected, as Vivian Joyce, Donna Pendleton, and Carolyn Pilson found out.*

# Team — Very Competitive

## Golf

*THE 1975 GOLF TEAM: Coach Bill Pons, Jeff Turner, Ricky Ward, Tom Burnette, Eddie Burnette, and Matt Corbett. (Not pictured -- Cabell Staples.)*

*The 1975 Golf Team was indeed very competitive. The guys stacked up a 4-7 record, and had their best season ever.*

*They had tough competition, but the players played well. The highlight of their season came when the P.C.H.S. Golf Team defeated the Bassett team in a very close match.*

*The Most Valuable player of the team was Tom Burnette. Throughout the season, he played well. Tom ended the season with the best average in the Piedmont District. He represented the District in Regional Competition and then in State competition.*

*Since only Cabell Staples graduated, the 1976 team should compile an even better season.*

## Tennis Team —

*The Tennis Team played well for their first year of competition. The team was led by Joe Hiatt, Martin Clark, and Denise Foley. It was a young team. It should fare well in the future since all members but Martin Clark will be returning.*

*THE 1975 TENNIS TEAM: Coach Kathy Wright, Lee Hudgins, Steve Phillips, Denise Foley, Joe Hiatt, and Sandy Morse.*

*Smiling with enjoyment, Terri Williams pauses in her optional beam routine.*

*The 1975 Gymnastics Team worked hard throughout the season. It was definitely a learning experience for all the gymnasts as they worked day after day in their areas of competition.*

*Members of the Squad were Judy Barnard, Kathy Bowman, Terry Bowman, Robin Booker, Jenny Goins, Wanda Hylton, Jennifer Inman, Margaret Lawson, Becky Montgomery, Tracy Oubre, Lisa Spencer, and Terri Williams*

*The team competed in two meets, but individuals Tracy Oubre, Terri Williams, and Jennifer Inman also competed in the Regional Gymnastics meet.*

*Since only Terri Williams and Tracy Oubre will graduate, the gymnastics team should be better in the upcoming season.*

# Gymnasts Receive Letters

# Cougar Baseball Squad Boasts Best

*Patrick County put together a 17-4 Baseball record to produce the best season ever for a Cougar Baseball squad. The men, led by Coach Sonny Swails, finished the season in a first place tie with the Martinsville Bulldogs.*

*Starting the season off right, the Cougar Baseball Squad won their first two games, defeating Carroll County 3-2 and shutting out Bassett 5-0. They then lost a heartbreaker to Carroll County to make their seasonal record 2-1, but their District record was still unblemished.*

*The Cougars bounced back to win their next six games, making their District record 7-0 and their seasonal record 8-1. Next, the Cougar Squad met up with Martinsville and were beaten by the Bulldogs 7-1.*

*The guys were not yet to be discouraged, for they proceeded to rack up five more wins. The next victory came from the hands of the Carver Trojans. This game proved to be one of the main highlights of the season. Blaine Gilley gave a tremendous preformance as he pitched a no-hitter against Carver.*

*Again the Cougars faced Martinsville, this time on Martinsville soil. But the odds came out on the Cougars' side as they beat Martinsville 11-8. Although it took 13 innings and about three hours, forty-five minutes to seal the victory, the Cougars came out on top and took over the District's first place position.*

*As Coach Swails walks back from the mound, Donny Rakes and Steve Yarber talk things over.*

*Much to their disappointment, in their next outing the Cougars bowed to the Chatham Cavaliers 7-4 and had to share the lead District position with Martinsville. The squad held on in their next three starts as they conquered Fieldale-Collinsville 7-1, Tunstall 6-2, and Laurel Park 8-1. The end of regular season play found Patrick County with a 16-2 District record and in a two-way tie with Martinsville for first place.*

*Since only one representative from the Piedmont District could be sent to the Regional Championship; the tie had to be broken. The showdown came, and Patrick County fell to the Martinsville Bulldogs 7-1 in an exciting game.*

*Although disappointment ended the 1975 season for the Patrick County Baseball Team, they had plenty to be proud of. Not only did they rack up a 17-4 seasonal record, but they also out scored their opponents two to one while making only 45 errors all season. Coach Sonny Swails, Assistant Coach Rich Tobler, and the players gave a great showing and won the first Piedmont District [illegible] phy ever for a Cougar Baseball Squad.*

*Wendell Handy watches intently as Steve Yarber pitches the ball.*

# Baseball Squad Capitalizes On Depth

*After hitting a single against Bassett, Teddy Martin heads down the baseline toward first base.*

*The Cougars capitalized during the '75 season on their team depth. The squad possessed four strong pitchers, each capable of giving winning performances. Strength also showed in the hitting department. Teddy Martin, Phil Hunt, Wendell Handy, and Sammy Morrison finished the year with seasonal averages about .300. In addition, the team gave an outstanding defensive preformance, making only forty-five errors all season long.*

*Out of the eighteen man squad only five graduated. They were Darrell Agee, Gerald Culler, Teddy Martin, Mark Williams, and Steve Yarber. Ten Juniors and three Sophomores composed the rest of the squad.*

*Picked to receive the three team trophies were Teddy Martin – Leading Hitter, Gerald Culler – Most Valuable Player, and Blaine Gilley – Most Improved Player.*

*Next season's Baseball team is hoped to show strongly. Thirteen players from the 1975 squad should be returning; Blaine Gilley is the only pitcher returning. The 1976 season showing will depend largely on the performances given by the pitching staff.*

*While the referee watches intently, Donny Rakes grabs the baseball as it whizzes by a F-C batter.*

*June, July, and August, usually are the most active months in the year, and the summer of 1975 made this statement true. Many groups from the school went to workshops, and schools. But most of the people went to the Beach or the Mountains.*

Fall & Winter '76

*Amid cries of "I wish it would snow?," the winter approaches with buttoning up of overcoats, and the realization that the 1975-76 school year is nearly over. Half forgotten promises, and newly made ones influence each and every one of us to strive and reach for seemingly impassive goals.*

*Forgetting all our problems for a moment we submerge into the festive season. We tackle problems readily, and accept hardships with smiles.*

*Even though we tread on the road seemingly without end, we look forward to greeting spring with open arms as it beckons at our door.*

# The 1975 Varsity Football Squad — Injury Plagued;

*Posting a 2-7-1 record, the Patrick County Varsity Football Team proved to have a disappointing season. The team felt that the smallness of the team and injuries were their two main problems.*

*The Cougar Squad consisted of only twenty-four players. It was one of the smallest Varsity Football teams ever since Patrick County High's existence. The lack of players caused many men to be given both offensive and defensive assignments.*

*Injuries also plagued the Cougar "Pigskin" Team. In one game four players were sidelined with injuries. Coach Bill Hanner commented that although he didn't like to play injured players, having a twenty-four man squad caused many players with minor injuries to be put in the line-up.*

*Next year's football team's success will depend on the number of men going out for the sport. With thirteen players graduating, the team will rely on the players on the remaining varsity players as well as the guys moving up from the 1975 J.V. Football Team.*

*The Homecoming Queen for 1975-76 was Miss Betty Ann Cox.*

*Homecoming Week was surely a week of Celebration! Monday was Red, White, and Blue day; Tuesday– string day; Wednesday–50's day; Thursday–rolled-up jeans and wild sock day; Friday was Green and Gold day.*

*Ninth graders yelled loudly, they also got the Spirit Stick.*

*Different moods are displayed by football players at the Pep rally.*

*50's day was a success as Ada Terry, and Jeanne Elgin celebrated it.*

# COMING

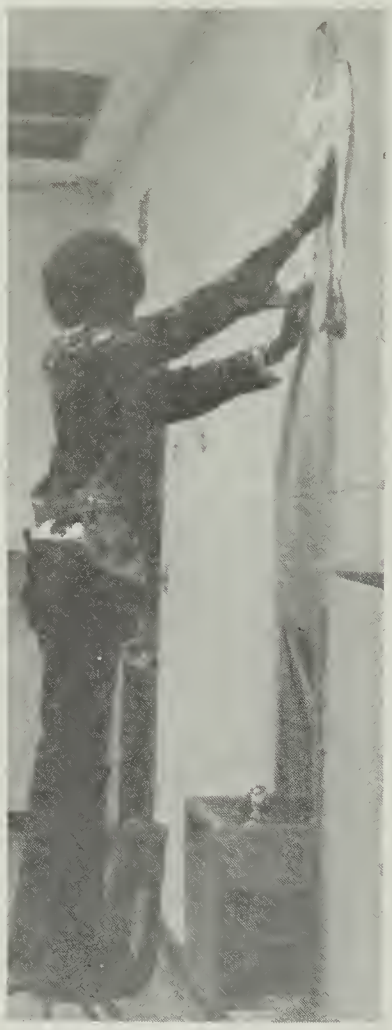

*Students holler for the Cougars to give them a victory at the ballgame.*

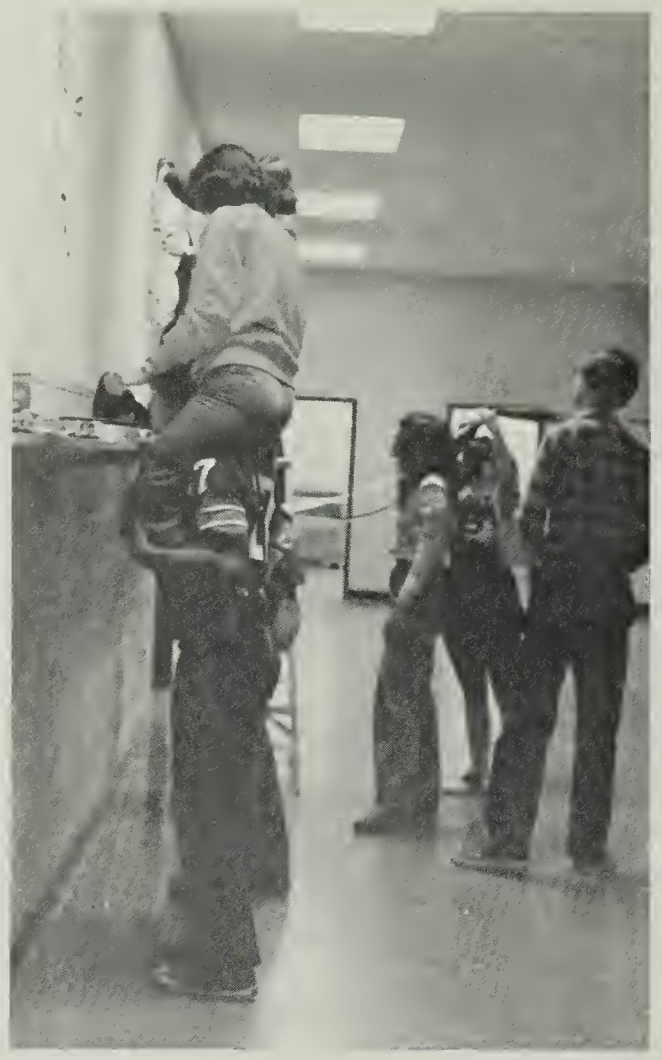

*The Band waits for cheerleader, Karen Barnett, to start them on the cheer.*

# Homecoming Dance

*Putting decorations high enough was a problem, especially if you didn't have a step ladder!*

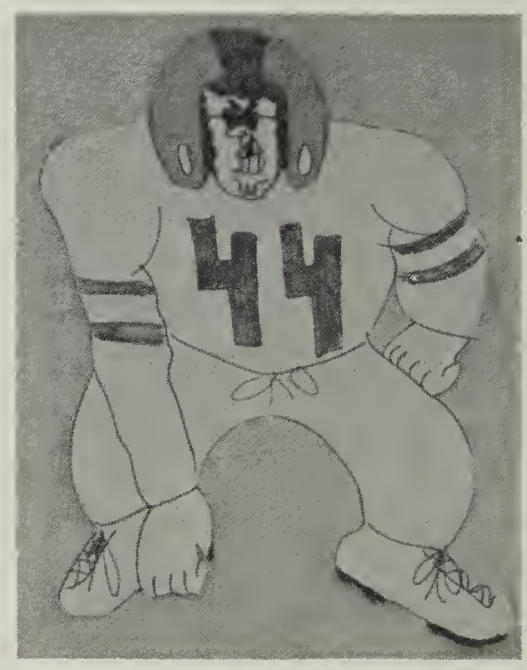

*ALL RIGHT FELLOWS! LET'S GO! Brotherhood of Peace was terrific.*

*Getting out of class, to help with decorations (Of course), was just one of life's simple pleasures!*

*Homecoming activities took a turn when it was plain that the game would be called off because of the rain. The dance still went on with an intermission — the Homecoming Court, was building up tension.*

*Miss Betty Ann Cox was crowned Homecoming Queen, 1975.*

*This was one of the many decorations put up at the dance.*

*It was only 20 after 9:00, and the floor was packed!*

th

# Team Possesses

*The Cougar "Pigskin" Team boasted many fine players. One of these was Quarterback Phil Hunt. Coach Hanner said that Phil was one of the best quarterbacks in the Piedmont District.*

*Another player was Tim Burkhart, the Cougars' ground gainer. Although he was hampered by a knee injury, Burkhart gave many performances in the rushing department.*

*Roger Spencer also was hampered by leg injuries. In spite of this he put in a good season at defensive back.*

*Team Captains Kirk Shelton and Steve Sheppard worked excellently during the season. Coach Hanner had nothing but praise for the duties that they performed.*

*A Tunstall player tries to elude Donny Rakes as Donny prepares to tackle him.*

*Asst. Coach Phil Dieckhoff watches a Cougar 3rd down play from the sideline.*

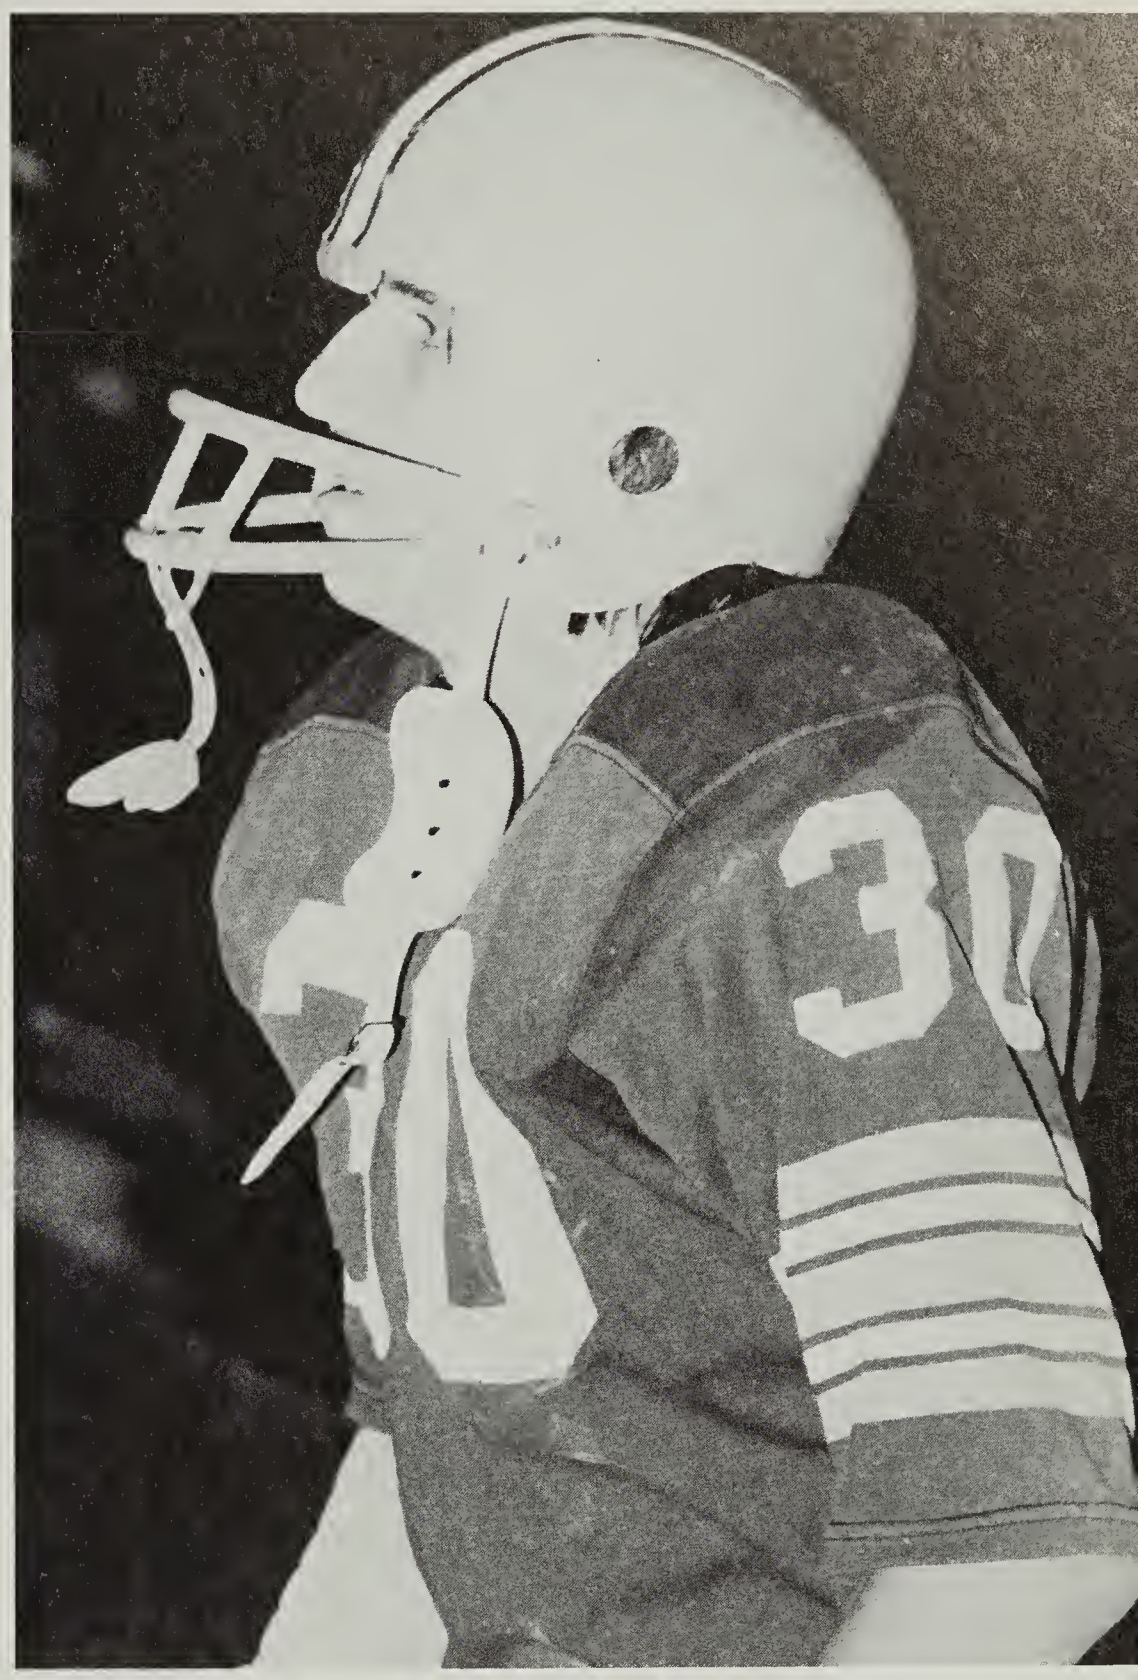

*James Reynolds watches helplessly as ball carrier Tim Burkhart is wrapped up by opponents.*

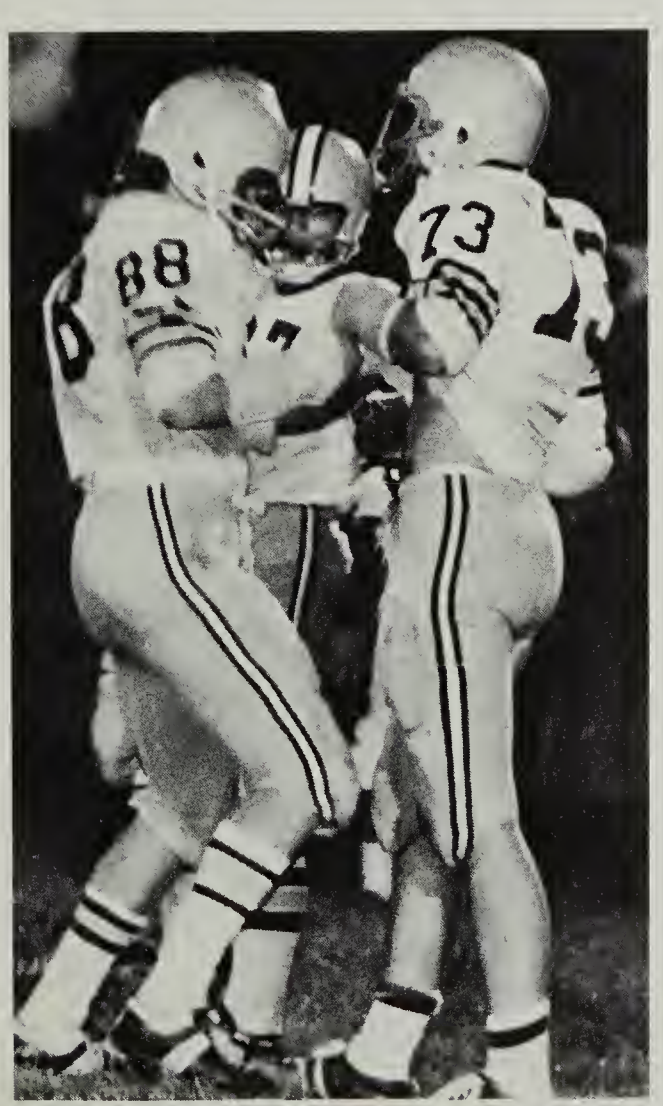

# *Many Good Players*

*Center Eddie Burnette prepares to hike the ball to Phil Hunt.*

*Watching the Cougar offense at work Roger Spencer rests along the sideline.*

*Kirk Shelton (88) and Phillip Roberts (87) help James Reynolds adjust his padding.*

*Thirteen Cougars ended their high school football careers. They are Donny Rakes, Gary Scott, Tim Burkart, Roger Spencer, Clay Morris, Eddie Burnette, Steve Sheppard, Richard Joyce, Steve Griffin, Kirk Shelton, and Phillip Roberts.*

*These players played superbly throughout the season and added to the team greatly. Their graduation will definitely be a great loss to the 1975 Patrick County Football Team.*

# Varsity Cheerleader's Job

*P. C. Cougar, Gail McAlexander, gets needed support from Evelyn Penn during a stunt cheer.*

*Donna Guynn, Sheila Smith, Patti Hylton, and Cheryl Anderson show mixed emotions about the Cougars' football play.*

*The Cheerleaders' work was never done, or at least that's the way it seemed. There was always something to keep them busy. If the Cheerleaders weren't cheering, they were busy practicing, planning Pep Rallies, or doing one of the many other jobs that they perform.*

*The Varsity Cheer Squad lacked experience. The most previous experience in cheering that any cheerleader possessed was two years. Most of the cheerleaders had one, if any, previous years of experience. But, this did not phase the squad. They practiced hard in hopes of attaining improvement.*

*The girls chose Donna Guynn to be their Captain. The Co-Captain spot was taken by Cheryl Anderson. Mrs. Jo Moricle sponsored the Cougar Cheerleaders.*

*Supporting the Varsity Football Team and the Boys' Varsity Basketball Team, the Cheerleaders worked hard to encourage the fans' support for the team. Many times they were discouraged, but the few times they succeeded made all their effort worthwhile.*

*THE 1975 VARSITY FOOTBALL CHEERLEADERS: Ellen Vipperman, Evelyn Penn, Patti Hylton, Gail McAlexander – P.C. Cougar, Becky Fulcher, Sheila Smith, Donna Guynn – Captain, Becky Montgomery, and Cheryl Anderson – Co-Captain.*

# Is To Promote Spirit

*Moving to "The Hustle", Becky Montgomery performs during the Homecoming Pep Rally.*

*Co-Captain Vickie Hutchens, while cheering at the Wrestling Assembly, sees "something" that catches her eye.*

*Doing one of the steps to a pom pon routine, Lisa Spencer moves to "Jive Talking."*

# New Experiences

*Concentration! Teresa Simmons attempts to perfect the coordination of her hands and feet.*

*Smiling is very important in cheering. Co-Captain Karen Barnette displays one of her specialties.*

*New experiences in 1975-76 marked the existence of the J.V. Cheerleaders. They fought for improvements and for the spectators spirit.*

*The Cheer Squad was not an easy one to forget. Their imaginations produced many new cheers and chants. Also, their great variety of stunts added tremendously to their performances.*

*Supporting the teams they cheered for was their main objective. The girls faithfully attended all the Girls' Basketball games and home J.V. Boys' Basketball games. The J.V. Cheerleaders did an excellent job in backing up these teams.*

*Cheerleaders of the future were definitely in the making. But, their only wish for the future, besides new J.V. Cheer uniforms, is to be able to support and cheer for the J.V. Boys' Team at home and away ballgames.*

*THE 1975-76 J.V. CHEERLEADERS: Co-Captain Vickie Hutchens, Co-Captain Karen Barnette, Pam Wimbush, Mira Hairston, Cheryl Wimbish, Lisa Mann, Linda Clark, Wanda Hylton, Lisa Spencer, and Teresa Simmons. (Not Pictured – Pam Hopkins)*

# Team Doesn't Give Up

*The 1975 J.V. football season was very disappointing. Although 5 games were lost, Patrick County won their only game against Drewy Mason, 19-0. Most of the players were 9th graders, therefore the team was younger than most of the other teams played. Even though the players strived for a good season, the team lacked size and speed in several positions. This is due to the small squad, which Coach Richard Tobler hopes will be larger next year.*

*Mike Hill, Chris Rakes, and Dean Spencer served as captains for the '75 season. Chris Rakes, Carroll Reid, Bruce Tolson, Bob Bowman, and Mike Hill are expected to move up to the Varsity team next year.*

*"Why hasn't this ballgame already started?" wonders Jimmy Stanley.*

*Planning plays against the opposing team, the J.V. squad listens intently to their coach.*

# Eighth Grade Football Team Strives For Perfection

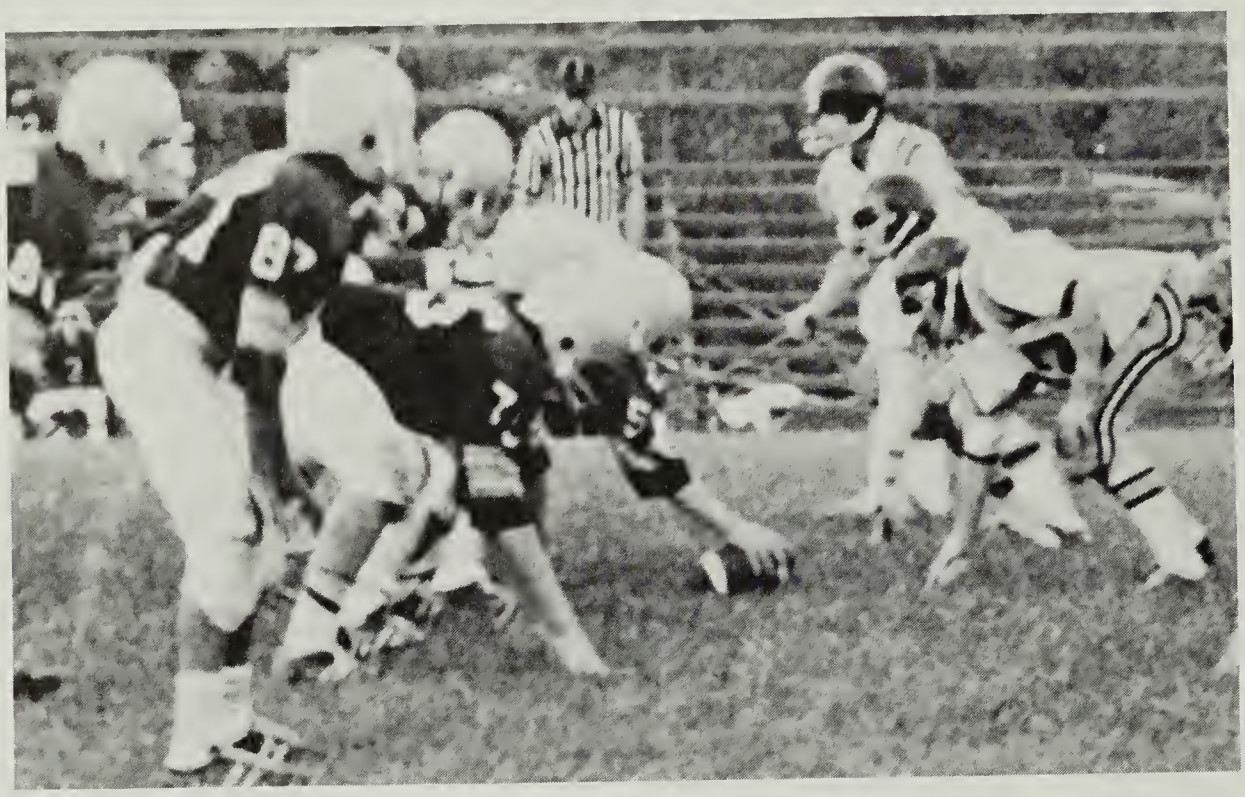

*The 1975 8th grade football season proved to be very disappointing. The Patrick County 8th graders lost four games and tied two. "Big" Jeff Gilley was declared the best player and athlete. Gilley acquired much help from Benjie Holt, team quarterback.*

*Just like the JV squad, the 8th grade squad lacked participation and interest from the people who could have come out and played. One thing that Coach Morrison was extremely proud of, was the fact that not one single player was injured. No one even walked off the field pretending to be hurt.*

*One thing is for sure, they did a great job to be as small as they were.*

# FOOTBALL HONOR:

*The Sportsmanship Trophy is given to the school showing the best sportsmanship during the football season. The referees that call the games nominate the schools they think possess the best sportsmanship and then the schools are voted on.*

*It was Patrick County's great pleasure to receive that trophy. The trophy not only was given to them for the good conduct of the football players, but also for the conduct shown by the cheerleaders, the Band, and the Cougar supporters.*

*The Sportsmanship Trophy is proudly presented to team Co-Captains Steve Sheppard and Kirk Shelton and Coach Bill Hanner.*

*Displaying the Sportsmanship Trophy, Steve Sheppard is lost in deep thought.*

*On behalf of the school, Principal James K. Hiatt accepts the Sportsmanship Trophy from Kirk Shelton.*

# Team Places 3rd

*The 1975 Cougarettes, coached by Cindy Burch, captured Piedmont District 3rd place. This was made possible as they came through the season with a 8-3 record, placing them in a 3-way tie for first place.*

*In the play-off game the Cougarettes offense could not penetrate the tough Carver zone and the Trojans came out on top 58-46.*

*In tournament play, the Basketball Team won their game against Chatham, but lost a heart-breaker to Drewry Mason. This left PCHS in the consolation game against Fieldale-Collinsville which they won 54-49. The Cougarettes walked away with the third place trophy.*

*The Cougarettes were led throughout the season by the scoring of Elaine Massie, Debbie Stovall, Beverly Wood, and Denise Foley, and by the team defense.*

*The team will lose only two seniors, Elaine Massie and Shirley Brim. Although they will be hard to replace, the Cougarette team should still be very competitive next season.*

*The Cougarettes, congratulated by Dan River player, are over joyed by their win.*

*Team work accounted for much of their success. The girls worked together as a team to win the games and being good players helped even more.*

# P.C.H.S.

# Cross Country Team —

*Second Place in the Piedmont District was taken by the Cougar Cross Country Team. The Squad compiled a 4-4 log and finished the season with their best record ever!*

*In District performances the P.C.H.S. Runners lost only to Laurel Park and finished behind the Lancers in District ranking. P.C.H.S.'s four wins came against Bassett and Martinsville. Coach Biggs seemed pleased that his Cougar Team defeated Bassett twice.*

*The District meet saw the Patrick County Runners come in second also. Willie Reynolds led the Cougar attack as he posted a 16:25 time and took seventh place. Ancion Brim finished eighth with a time of 16:31, Ellis Lawson (16:39) and John Clanton (16:51) finished tenth and eleventh.*

*The Cougar's season could possibly have been better. Mark Goard, expected to have been one of Patrick County's key men, became sick at the start of the season and was unable to compete in the remaining meet. John Clanton was hampered by a pulled muscle and was unable to preform at his best.*

*The Cross Country team lost only Ellis Lawson and Ancion Brim. Although they were important additions to the team, next year's season should be even better.*

*Ellis Lawson and Bassett opponents look on as Coach Grandy Biggs presents Ancion Brim with a well deserved ribbon.*

# Of The Year

# Wrestling Team Shows Much Improvement

*The 1975-1976 Cougar Wrestling Team had a 0-9 record. But, the season was definitely better than the record indicated.*

*The Wrestling Team contained many youthful members. Only three Seniors and one Junior was on the squad.*

*As the season progressed, the Sophomore and Freshmen members gained much experience. Wrestling not only requires strength, it also requires experience. Coach, Doug Kapher, commented that it is only through experience that a wrestler can learn moves and when to use them.*

*Top winners throughout the Wrestling season were, Scott Love, Zyndall Scott, and Gerald Williams. They could almost always be counted on to win matches. Scott Love placed second in the Piedmont District and will compete in Regional competition.*

*Hope goes to the team next year since Zyndall and Gerald will be back. Keith Dehart, Sandy Morse, Jon Love and Tony Holt are hoped to come through with a winning season.*

# Tough Competition Makes 8th Grade Season Disappointing

*The 8th Grade Boys' Basketball team started the season with a good, strong start which diminished soon after the first game. The 8th grade team tried their best to win each game, but the competition was too stiff for them.*

*Averaging nine points per game was the captain of the team, Brett Hill. The following four players were thought very promising: Richard Tatum, Roger Clanton, Bruce Wood, and Scott Smith. Although these five players played extremely well, the remainder of the team made a great effort to win every game.*

# Resulting In More Experience For The Future.

*With a look of confidence, Terry Smith and Wayne Helms come back to play.*

*With the score, Home – 12, Visitor – 08, the PC 9th grade boys discuss their strategy to keep this lead.*

*Unlike the past four successful seasons for the Boys' 9th Grade Basketball Team – poor is the best word to describe this year's season. Several things contributed to the unsuccessful season. Lack of practice and skilled players serve as a minor contribution. Poor shooting and very poor passing are the major problems.*

*Serving as captains for the 1975-76 season were Timmy Handy and Willie Reynolds. All of the team members played well at times, but Handy, Keith Gunter, and Tommy Tatum stood out from the rest.*

*This year's team was an improvement over last year's team. The hopes for next season are much like they are every season. The 9th grade team needs skilled players and the 1975-76 team made a great effort.*

*With all his might, Keith Gunter jumps for the ball.*

# Another Successful Season

*The 1975-76 Patrick County J.V. Boy's Basketball Team posted a 14-6 and captured third place in the Piedmont District. Much talent is thought to move on to the 1976-77 Varsity team.*

*The Jayvee Cagers were consistent during the first part of the season but began to show inconsistency at the conclusion of the season. They lost some close games but their confidence was never damaged.*

*Boosting the Cougars through the season were high scorers David Clark and John Clanton. The team accredited their successful season to defensive and offensive team work. The guys worked together as a team in all the games they competed in.*

*The J.V. Team was composed of all sophomores. Therefore the upcoming season is doubtful for the J.V. team, but many good players will be advancing from the eighth and ninth grade teams. Best of luck is given to Coach Grandy Biggs as it is hoped that he will produce another successful team.*

*In tournament play the Cougars defeated the Drewry Mason Spartans, but fell at the hands of the Martinsville Bulldogs.*

*The Varsity Basketball team hosted Winfred Reid as its high scorer, who was assisted by Don Hairston and Darryl Younger. They kept the Cougars in contention throughout the season. The Cougars also obtained some great experience from Larry Hall, Ronald Rorrer, Kenny Pullins, and Donnie Rakes.*

*The team suffered from an injury to Donnie Rakes which kept him out of several ballgames. Also the team lost Keith Staples because of scholastic reasons.*

*The Boy's Varsity Basketball Team went farther in District Tournament play than any Cougar Boy's team before.*

*Since most of the players are expected to return for the 1976-77 season, you can bet that the Cougars will be in close contention next year for the Piedmont District title.*

With the added pages, natural color, and more extensive use of spot color, this year's Archive promises to be the best ever.*

The Literary Magazine is published once a year by the students of PCHS. Various poems, essays, and short stories are submitted by students and faculty. This collection of writings is gathered, corrected, typed, and published to become another entertaining edition. With participation from the students and staff members working endlessly, the '76 edition contains the best of PCHS.

Sorting out poems turned in by students, is Nancy West.

Leslie Shelor encourages everyone to meet the deadline.

Debbie Coalson is absorbed in her work with the Literary Staff.

# Debate Team Gains Experience

# Are Bare

*After fifth period everyday, the halls and classes seemed bare. Over half of the Senior Class left after third, fourth, or fifth period. Most of these students left school to go to work. Not enough recognition was given to those Seniors who did this for they carried a heavy burden. Working and going to school was not an easy task. So the rest of the Senior Class salute those Seniors for their accomplishments.*

# What Lies

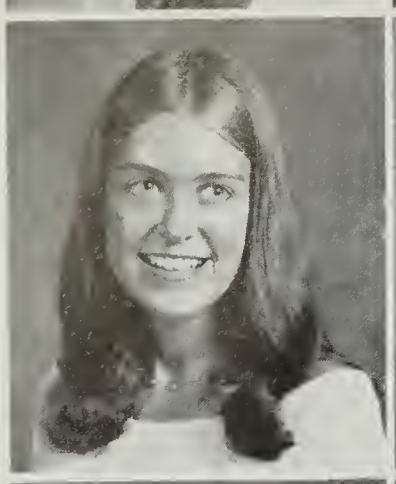

*Willie Junior Penn*
*Steve Douglas Phillips*

*"What does the future hold?" Many asked this question in their senior year. This year held more of a decision making time for the students had to decide what was right for them. Marriage, work, or college were a few of the choices. Each had not long to decide because Graduation Day '76 was fast approaching.*

*College Day was held in order to help those interested in college. This day was established to give college bound students an opportunity to talk with representatives of various colleges. It was a very difficult task in trying to decide which college to attend. College Day was designed to help ease this problem.*

# Sophomore Faces

*The Sophomore class had done an excellent job of coping with all the problems that faced them during the 1975-76 year. Being the middle class in our school caused pressure from the domineering Juniors and Seniors and the unstablilized Freshmen and Sub-Freshmen.*

*Being a Sophomore included pleasure as well as hardships. Participating in sports activities, assemblies, and taking part in new clubs were some of the highlights of the year.*

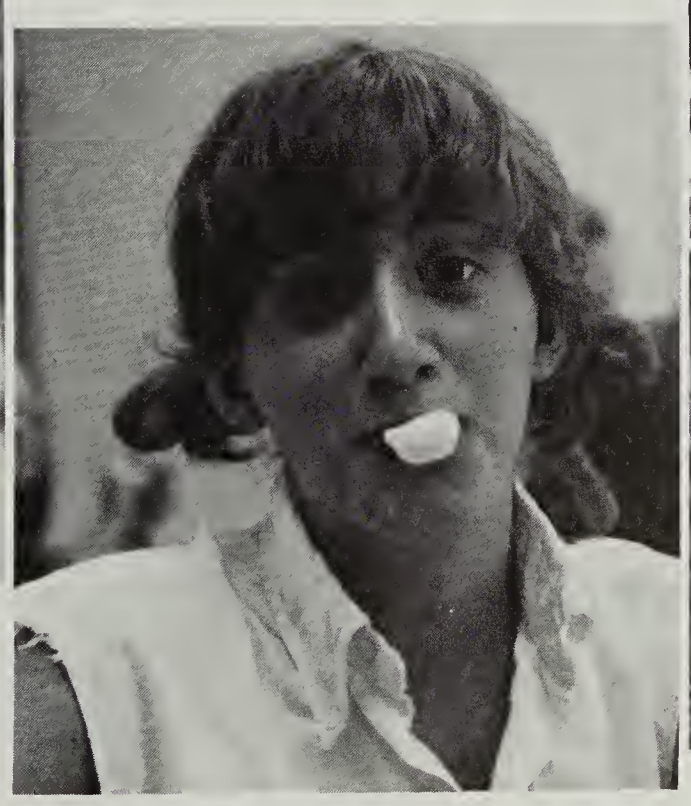

*The experiences the Sophomores had this year, will enable them to make better decisions for the coming years. It has been one year they will not forget.*

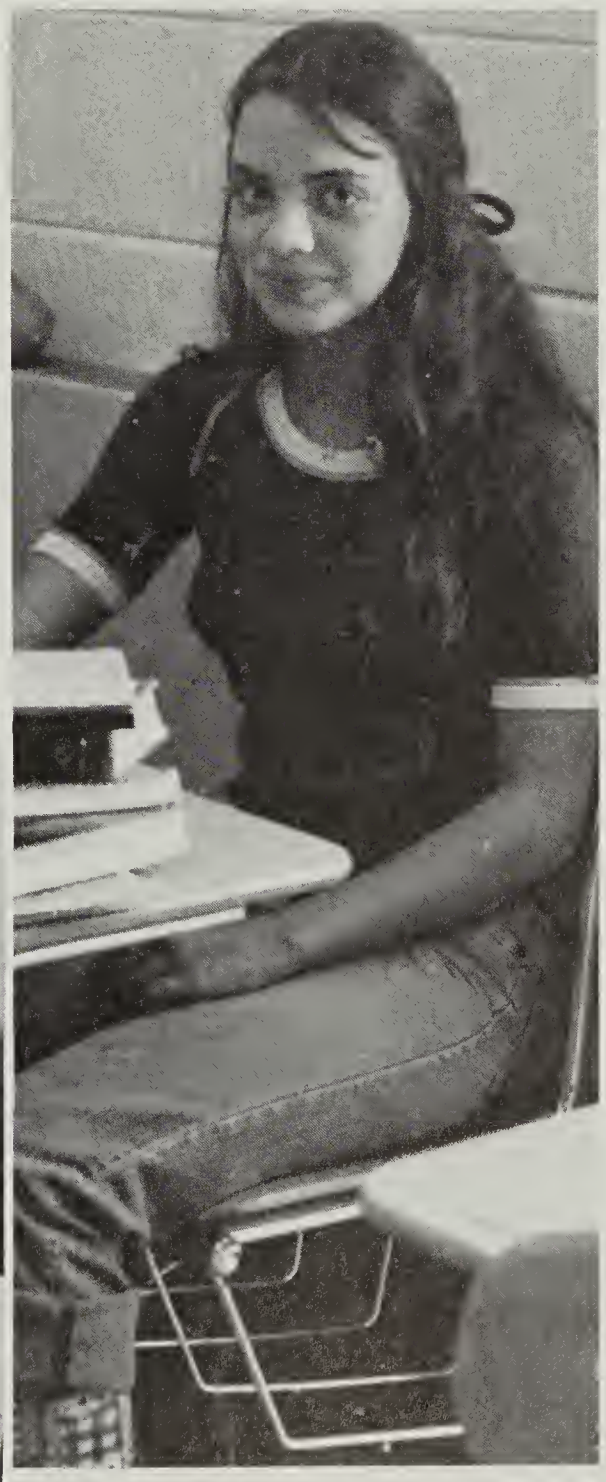

*Wondering when he could leave the Book Fair, Tim Wimbush waited patiently.*

*Leaving a pep rally, Lee Hudgins struggled through the crowd, carrying his faithful tuba.*

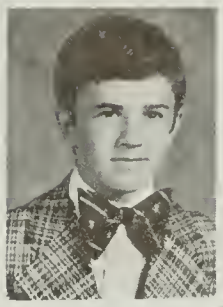

*On 50's day, Tammy Mayes tried her best to blow a big bubble.*

*While proudly wearing her "flashy socks," Debbie Hiatt posed for a picture.*

*The Freshman class has started up the steps of life. The major step was last year, when they moved from elementary school to high school. They were, however, expected to set a favorable example for their fellow classmates. With spirit, they led and represented their friends in our year of celebration.*

*Up the steps of life, the Sub-Freshmen move. It's hard at the beginning to fit in a place where you're the youngest. Moving up is a promotion, you earn it, and you don't just stay the same. The Freshmen at P.C.H.S. worked hard to move out of the way for another class.*

# FACULTY

*Long hard frustrating hours are put in by the faculty. A day starts at 8:30 and ends at 3:30. And that is only if they are lucky. There are extra activities such as staying after for a club or coaching a basketball team. But still the faculty keeps on smiling and joking. During Spirit Week this year the teachers participated, especially during the 50's Day. The student must realize that teachers also have their lives outside of school which we are not aware of. They have their families to support and feed. They are also human beings and have feelings which can be hurt by a student. Let us show appreciation to the faculty this Bicentennial Year by saying thank you!*
